We are thankful for all your feedback. The main strands that we will be focusing on are: to improve communication and information for parents.

English and Maths Information Session for Parents

At 3.30pm, on the 28th February, we will be holding an English and Maths information session for parents. Children from different key stages will be explaining and demonstrating how they learn different mathematical and English skills. We will also be sharing a variety of methods in which you can help your child at home. Please come along - we look forward to seeing you there and the children will really enjoy presenting their learning strategies to you.

Parent/ Teacher Consultations

This term's parent meetings will be held on Wednesday 21st February, with some KS1 appointments on the 22nd. Please make an appointment to see your child's class teacher by using the sign-up sheets, which will be available in the meeting room from the 1st February. Reporting to parents occurs three times in the year: at a parent's evenings in the Autumn and Spring Terms, with a formal written report in the Summer term. If you wish to talk with your child's teacher between these meetings please do ring the office to make an appointment.

Footwear

Whenever possible, we like to get the children outside to enjoy the fresh air. Please could you ensure that all children have suitable named footwear, wellingtons or snow boots, when the weather conditions are bad. Please also name hats, gloves and scarves as we are now getting a wet collection that are unnamed.

Headlice

There have been reported cases of head-lice in school. Please could you regularly check your child's hair. Long hair should be tied back every day to prevent the spread of lice.

Parent Governor Nominations

We have extended the deadline to 9.00 a.m. on Wednesday 24th January, please hand in your nominations to the school office.

Yours sincerely

Julia Collins
