how important this aspect of maths learning is. This will work even better if everyone can really get behind it and children feel supported both at home and in school with this area of their learning.

Each child will complete a set of 50 weekly questions. The scores will be collated and will contribute to the class average score. We will celebrate the weekly class winner in collective worship and we will also pick out individual winners who have worked particularly well. If children gain a perfect score, they will be given a bonus of 5 points, which will of course help to boost their class's average!

Folly!2018

In the Autumn term, children in Y5/6 took part on a folly design competition. The official website <https://www.archikids.co.uk> has now been launched, where you can have a look at all of the entries submitted.

Sports Morning

Our annual sports morning will be held on Tuesday 17th July from 9am-1pm weather permitting. All are welcome. This and other dates can be found on our web calendar.

History week

The week commencing the 18th June is our history week and we are celebrating the 150 year anniversary of the Alms houses opposite school. As part of the celebrations we will be holding a Victorian Day/street party, so all children will be asked to dress up for the day in Victorian costumes. Hopefully by mentioning it now, you will have time to organise a costume.

Parent/Governor nominations

Please check your child's bag for a nomination form, we have a vacancy for one parent/governor

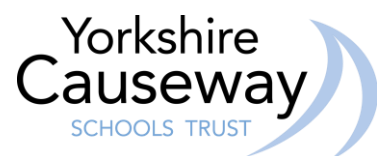

Yours sincerely
