“Learning – Achieving – Caring”

11th January 2019

Dear Parents/ Carers,

Welcome back to the new term and to the New Year. I hope you all had a lovely break.

Parent Questionnaire

Thank you to all the people who completed the online questionnaire before Christmas. All your comments have been noted and discussed. Thank you for your continued support and affirmation too.

Roadworks on Tower Street

Tower Street will be closed next week for road works. There will be no access to Belford Road by car, except for access by residents and staff. Please allow a few extra minutes to walk up from Victoria Avenue.

Residential Programme

We have reviewed the current residential programme and considered all factors that affect a successful residential such as staffing, dates, costs, and variety of social and educational benefits. We are pleased to say that we are committed to continuing to provide residential opportunities for children in the juniors. This will comprise of a two night residential to children when they are in Year 4, plus a four night residential to children when they are in Year 5 and again in Year 6.

As the current Year 4 group experienced an overnight residential when they were in year 3, their next residential this year will be in November, when they are in year 5. An additional day trip has been arranged for this group in the spring/ summer and further details will follow.

The new residential programme will start in Spring 2020, where the children in Year 4 will have a two night residential in York, where the learning is linked to their History topic. Children in year 5 and year 6 will continue to have an Autumn residential and we will use the two outdoor centres of East Barnby and Bewerly Park, as the learning is linked to developing geography, PE and PSHE skills.

The Year 5/6 residential for our current Year 4 and Year 5 children will be at Bewerly Park in November 2019 and will cost approximately £320. Further details will be given but payment will be required in full at the by October 2019, so please be aware of and plan for this upcoming cost.
