“Learning – Achieving – Caring”

16th January 2019

Dear Parents/ Carers,

Kids Aloud Concert

The choir will be performing at the Royal Hall in the Kids Aloud concert, at 7pm on Sat 30th March. Tickets are on sale now at the Harrogate theatre box office.

A consent form is needed for every choir member and returned to Mrs. France as soon as possible. This consent gives permission for the children to participate in the concert on the Saturday and it ensures they are committed to attending either the Monday lunchtime or the Monday after school choir rehearsals, leading up to the event.

Maths week

Lots of exciting things have been happening with Maths development and our link to the Shanghai Teacher exchange. The Shanghai teachers are currently sharing practice with our staff and we would like to share this practice with you.

Our annual Maths week is planned for February 11th -15th. As part of this we are holding a paired parent and child maths workshop on the night of Wednesday 13th February at 3.30 - 5pm. By attending this event, it will support your understanding of how your child is taught maths in school and you can take away some great ideas to support your child at home.

TT Rockstars

The Times Table Rockstars has been a great success as it is helping children to improve their speed and accuracy when recall times table facts. Those children that have made great progress in their times table knowledge are those who use it on a regular basis. This has also had a positive impact on children's confidence, as they are able to quickly use these facts to solve more complex problems during their maths lessons. Please encourage your child to practice learning these facts, if you have any issues with your child's log on details, please let us know.

Our second KS2, Times Tables Slam competition has started this week, currently Class 10 are at the top of the score board. I wonder which class it will be next week!
