***“Learning – Achieving – Caring”***

1<sup>st</sup> February 2019

Dear Parents/ Carers,

Travelling Book Fair

Please come and have a look at the books on sale in the bottom hall after school tonight. If you haven't been able to get to the book fair this week, don't worry as the last chance to purchase books is on Monday next week until 4pm. As a school we do get a percentage of the sales, so thank you to those that have already visited.

Bewerley Park Residential Meeting

There is an important parents meeting on Wednesday 6<sup>th</sup> February at 5.30pm, for parents of children who are currently in Y4 and Y5. The meeting is about the residential visit in October 2019. Important information will be given so that parents can make an informed decision and ask questions about the visit. We will be giving a separate meeting to the children at a different time, during a school day.

Maths Mastery Evening

If you would like to participate in our maths mastery lessons with your child on Wednesday the 13<sup>th</sup> February at 3.30-5pm, please complete the slip below. Please indicate which Key Stage you would be interested in seeing. Can you please return the slip by Friday 8<sup>th</sup>, so that the level of interest for different key stages can be identified and preparations can be finalised.

Internet Safety Day

Next Tuesday is national Internet Safety Day and there will be a representative from the Police in school reminding the children about internet safety. This is a great opportunity for you to revisit your child's activity online as there is an increasing area of concern with children accessing things at home which are not age appropriate. There is a lot of parental advice on this matter on our website under 'Important Things'.

### KS2 Times Table Slam

Congratulations to class 9, who are this week's winner of the Times Table Slam. However, the average scores for each class are improving each week. Well done everyone!

### Emergency Closure

Now winter has arrived a reminder that in an emergency situation or in extreme weather the school would be forced to close. In this situation parents would be informed through the website, STRAY FM and where possible a text to parents.

Keep warm and safe this weekend.

Yours sincerely

Julia Collins  
Headteacher
