“Learning – Achieving – Caring”

8th February 2019

Dear Parents/ Carers,

Ofsted Inspection

We were inspected on Wednesday and I'd like to thank you all for your support. The report will not be published for two weeks but as soon as we are allowed we will share the findings with everyone.

Bewerley Park Residential Meeting

Thank you to all you attended the meeting on Wednesday. For those that were unable to attend the presentation is now on the website on the Y5/6 tab. Parents will also receive a letter outlining key dates shortly.

Maths Mastery Evening

Unfortunately, we have had to cancel the Maths Mastery Evening scheduled for next Wednesday 13th February, due to receiving only 8 parental responses, therefore we are going to try something different. We are going to trial video recording parts of maths lessons and putting them onto the website. We are aiming to do this before Easter, to see if this is a better way for parents to access the information.

Parent/ Governor Forum

We would love your feedback on the video recordings of maths lessons at the next parent governor forum. The class reps will pass on any comments. We will also discuss the findings of the Ofsted report. The next meeting is scheduled for Thursday 28th March at 2.30pm.

Times Tables Final

Well done to class 9 - this week's winners by 0.1! The times table competition finishes next week on Thursday 14th. Keep working hard this weekend – it's a close competition!

Maths Week – Monday 11th to 15th February

As part of Maths week, we are celebrating the fact that everyone uses maths in our day-to-day lives. We would love to see how you use maths at home and it would be great if you could send photographs into school for a whole school display. For example, photos may be of you baking, sharing out fish fingers at tea time or timing yourself at a sporting event.

Y3/4 Plastic milk containers

Year 3/ 4 need some clean, washed plastic milk containers by 13th Wednesday for their science lesson. If you can donate any, we'd greatly appreciate it.

Internet Safety Day

The police visited children in KS2 on Tuesday to talk to them about safe internet use. He showed a video to the children and discussed strategies to keep safe on-line. This talk was followed up by class teachers in the afternoon. If you want to view this video, click on the link www.thinkuknow.co.uk/professionals/resources/jigsaw/ We will also put the link onto the Digital Leaders section on the website, where there is a Parents E-safety zone where you can find additional support and advice.

KS1 Fire of London Drama

Tempus Fugit are coming into school on Monday 11th February to support the topic learning for the Year 1 and 2 children. The cost of the visit is £3.25 per child, please pay by ParentPay or via the school office as soon as possible. If you are unable to meet the cost of this event please speak to the admin team as soon as possible.

SEND coffee morning

The coffee morning is scheduled for next Friday 15th February between 9-10am in the meeting room; everyone is welcome. Both Mrs Jones, our SENCo and Mrs Morris, our SEN Governor, will be there to share a coffee and talk on an informal basis.

FOSP Fish and Chip Quiz Night

Book the babysitter for Thursday 21st February 7-9pm as it is the next social event for your diary. Gather some friends and come and try the quiz with Fish and Chip supper for £7.50!

Books old and new

Thank you to all those that purchased new books at the book fair. As a result, it has raised £444 for us to spend on books for the library, which is brilliant.

Spring is always a good time of year for a clear out. If you have any books that you no longer read on a regular basis, could you please donate them to school by placing them in the trolley in the meeting room. The Young Leaders are planning a daytime book stall in school and there will be big book sale after school on Wednesday 6th March.

Gym Competition

Well done to those children who represented the school at the gymnastics competition. Well done to those children who received a band for *Honesty* and *Passion*.

Upcoming Sporting events

There are some Year 5/6 sporting events upcoming in the beginning of next half term; these include mixed Hockey (5th March), mixed Football (12th March) and mixed Orienteering (19th March). More information and the participation letters for these events will be on the website and can also be collected from Mrs Renton on Monday. We look forward to lots of participants entering these exciting events.

Yours sincerely

Julia Collins
