Headteacher – Mrs Julia Collins

“Learning – Achieving – Caring”

8th March 2019

Dear Parents,

World Book Day and Reading Week

We've had great fun during our Reading Week and everyone made a fabulous effort on World Book Day.

Stray FM came to see us in our costumes and the photos can be found on their website.

A huge well done to the Young Leaders who raised over £120 for the homeless project at St. Peter's church through the second hand book sales. Thank you for your book and money donations. If you could return any sponsor money to the office next week, we will use it to purchase some more new books for our library.

Hockey Success

A big well done to all the players who represented our school so brilliantly at the hockey competition on Tuesday. All members of staff were very impressed with every single player, Olivia Robertson was even awarded a School Games band for her teamwork skills. All 3 teams battled hard and some great hockey was played. Congratulations to the team who have gone through to the Harrogate finals.

Missing Football Kits

Mrs Renton is missing football kits number 10, 14 and 18. If you have worn these kits in the past, please may you check at home to see if you can find the missing kit.

Ofsted Report

Hopefully everyone received their hard copy of the Ofsted report. It is also on our website and had now been published on the Ofsted site. Many thanks for all your support and we continue to strive to provide the best education for our children.

SIAMS inspection

We have our Church School Inspection on Thursday 14th March, which looks at the distinctiveness of our school as a church school. We will share the inspector's findings with you once we have that report.

Parent/ Teacher consultations – Next week

A reminder to book an appointment to meet your child's teacher next week to discuss your child's progress. A reminder e-mail was sent this week to the booking site so look back for this or check your spam e-mails if you haven't received it.

Science Week – Monday 11th to 15th March

Get your lab coats at the ready! As part of science week children are invited to bring in their Science lab coats. You may have one from previous science weeks, if not it just needs to be just an old school or adult white shirt. The idea is that throughout the week the children will write down what they have learnt on their lab coat.

The theme for Science week is 'Journeys'. To celebrate this there will be a school competition. Children are asked to design a new mode of transport. This can be done either by drawing and labelling your design or building it out of junk materials. There will be a prize for the winner in each key stage. Any donations of empty cardboard boxes would be greatly appreciated!

Healthy School

We are a healthy school and therefore ask that only small fruit/ cheese/ low sugar snacks are brought in for morning break. Lunches should provide a good balanced meal at the mid-point of the day. We provide free fruit for children in the afternoon. We have just taken delivery of two brand new water coolers so children can drink as much water as they like throughout the day.

Sunday Choir Rehearsals

The two choir rehearsals taking place on Sundays are at St. John Fisher High School not at the Royal Hall as previously directed.

Yours sincerely

Julia Collins
Headteacher
