

Summer Sporting Competitions 2019

This summer the Harrogate School Sports Partnership will be running a selection of KS2 competitions. Below is a table, which outlines the dates, times and venues of each event. However, there are limited places so when the deadline date has passed, a confirmation letter will be sent out.

The arrangements for each event require children to be collected from school by their parent/ carer 15 minutes before the events start time and taken to the venue. A member of St Peters staff will be present at the venue. Arrangements also need to be made for the collection of children as no child can be taken back to St. Peter's.

For each event, children will need to wear school PE kit, bringing with them any inhalers and medication that are required. Water bottle will also be needed. Unfortunately, there is strictly no room for spectators at these events.

If you would like to express an interest in your child competing in these events, please complete the permission slip below and return it by the appropriate deadline date. Any slips received after this date, will not be taken into consideration.
