“Learning – Achieving – Caring”

20th March 2020

Dear Parents / Carers,

School Closure Update

As you are now aware school will be closed until further notice to all but a few children as from Monday 23rd March. These children have been identified and an e mail outlining the provision has been sent to this group. Only this group are able to access Funclub if required as well. The normal school hours stand 8.45am-3.15pm **No other children should arrive at school on Monday morning.**

Communication with School

Communication with staff will be through the admin e-mail, which will be staffed during school hours. admin@stpeters.ycway.uk This central point will make it easier to direct the emails to the appropriate member of staff depending on who is fit to work that day. Responses will be made as soon as possible. Please remember that we still remain short staff so please only send e-mails if really necessary.

Remote Learning

School staff who are fit to work will still be supporting the key worker group of children directly. Logins have been updated and are written in the front of their partnership books and all the learning advice is now on the website pages for each stage. Children will be expected to be learning at home.

Symptoms

The BBC have now provided a helpful video to check symptoms. Please continue to be stringent with hand washing at home. Please follow isolation advice from the government to keep yourselves safe.

Wellbeing

This is a difficult time for everyone. We will of course keep you informed of any changes in circumstance. Thank you for all your kind words today. We are all very sad that we will not see you all for a while. Look after yourselves and keep safe.

Yours sincerely

Julia Collins/ Helena Fishburn
